

Notes:

New Year, New Website!

With so many exciting new series and varieties, we want to be sure you are able to easily get all the information you want and need for success. We have enhanced our website so that it's bigger, better, prettier and chock-full of useful material!

6 Helpful Things to Know About our New Website:

- Detailed **culture information** covers everything you need to know about Sakata's latest products and your tried-and-true favorites.
- A fully-loaded **Image Gallery** gives you easy access to hundreds of images for promotions and presentations.
- **Top Crop** pages are a great one-stop-shop for culture, videos, images and more about our favorite series.
- Contact knowledgeable team members via the **Staff Directory**. Answers to all your questions are just a click or phone call away.
- Watch and learn more with our new **Videos** feature page.
- Intuitive navigation helps you rapidly find the information you need.
